 Deputy Director (Support)

SUBJECT: [REDACTED]

1. This memorandum is for information only.

2. [REDACTED] formerly an employee in the Office of Logistics, was terminated under the Director's discretionary authority in section 102(c) of the National Security Act for refusal to accept an assignment without adequate reason. He has retained an attorney, Mr. James R. Scullen, who informed this Office on 7 July 1958 that an action will be filed in August in the United States District Court for the District of Columbia, seeking reinstatement and accrued compensation for [REDACTED]

3. We have been in contact with Mr. Donald B. MacGuineas of the Department of Justice, who has handled all such cases against the Government in recent years. Mr. MacGuineas believes the Agency has a sound position in regard to the action indicated by Mr. Scullen. Since the matter is now about to go before the courts if Mr. Scullen carries out his stated intentions, the matter is being referred to Mr. MacGuineas for action at his request.

4. We will keep in close touch with the developments.
